

The map shows a city street network with several streets labeled: Waldstraße, Amalienstraße, Karlstraße, and Sophienstraße. A route is highlighted with different colors and line styles. The route starts at a green area, goes along Waldstraße, then turns onto Amalienstraße, then Karlstraße, and finally onto Sophienstraße to reach a blue area. A legend in the bottom right corner defines the route types: Stadtteilroute (solid blue line), Genutzte Route (dashed red line), and Anpassung Stadtteilroute (dashed green line). The route starts at a green area, goes along Waldstraße, then turns onto Amalienstraße, then Karlstraße, and finally onto Sophienstraße to reach the blue area.
